Dear Patient,

Today Dr _____ has a medical educator Dr _____ sitting in on consultations. A medical educator is a GP and is visiting to observe and discuss aspects of general practice with Dr _____ as part of his/her professional development.

With your permission the medical educator would like to sit in during your consultation today. He/she will not participate directly in the consultation as the focus will be on the doctor you are seeing. The content of the consultation will be strictly confidential.

If you would prefer not to have another doctor present for all or any part of the consultation, please let the receptionist or your doctor know. If also, you would like the other doctor to leave at any time during the consultation, please tell your doctor.

Please tick one of the following statements:

- I **consent** to have another general practitioner during my consultation.
- I **decline** to have another general practitioner during my consultation.

Signed: _____
