

2018/2019 GP Registrar Placements

headspace Warrnambool is currently looking for GP Registrars (3rd & 4th Year) that are interested in working as part of our Medical Services Team during 2018 & 2019.

If you would like to:

- **improve** the lives of young people as part of an interesting & innovative team
- **provide** a full range of health services, with an emphasis on managing mental health problems
- **be part of** a supportive multi-disciplinary team
- **develop** confidence & increased skills in working with young people

we would like to hear from you.

Both full time & part time work is available in our busy private practice that includes outreach service delivery to local secondary schools & South West TAFE. 6 or 12 month contracts are available with the opportunity for further employment at the end of this period. An attractive salary structure exists for successful applicants.

For an Information Pack & Tour of **headspace** please contact Louisa Radley, Practice Manager, **headspace** Warrnambool, Tel. 5561 8860, Email - lradley@brophy.org.au
