PRIVACY COLLECTION STATEMENT

The organisation collecting your personal information is Murray City Country Coast (MCCC) GP Training which can be contacted by telephone on 1300 622 247 by email at info@mccc.com.au

Access

You may request access to your personal information that we have collected through recruitment.

Purpose

The primary purpose for the collection of your personal information is to consider you for employment with MCCC GP Training, both now and at any time in the future. This information will be collected via written correspondence and is stored electronically.

Disclosure

Your personal information is not usually disclosed outside MCCC GP Training for recruitment purposes.

Condition

The main consequence of personal information not being provided is that we may not be able to consider you for employment with MCCC GP Training.

Complaints

In the case of a formal complaint about the use and/or handling of your information, MCCC GP Training will investigate the matter and attempt to resolve the complaint. For more information, you may also contact the Office of the Australian Information Commissioner on 1300 363 992
